

Tell me where have you been? why are you late?
You smell like lipstick again
Come on, answer my question, say something.
Why are you acting out? oh, say it s in my head
I donâ€™t wanna end

Can I love you forever through this?
Can I trust in you forever through this?
I don t know how to stop
How to stop

These teardrops
That drip drop drip drop
drip drop drip drop
Owoho, owoho-ow

Em **G** **D**
I donâ€™t wanna cry, I donâ€™t wanna hear your name

A
If this is where it ends

Em **G** **D**
I donâ€™t wanna run, run away from myself

A
And be lost again

(Can I love you forever through this?)
Oh no no no, oh no no no
(Can I trust in you forever through this?)
I donâ€™t know

These tear drop-op-ops (I donâ€™t know)
That drip drop, drip drop (I donâ€™t know)
Drip drop, drip drop
Woah, woah
