Staystay Away
Sahara Hotnights

F# F# G#m G#m B B C# C#   x4

```
F#          G#m         B       C#
i d never tire , i d never stop
i d never leave for anything, anyone else
you knocked me out, you shake me up
i stay for more...
```

PRE-CHORUS:
```
        F#          G#m
should i stay, stay away
     B    C#          Ebm
i can only do what i m told
        F#          G#m
should i stay, stay away
     B          C#          Ebm
if you say so i ll leave you alone
        F#          G#m
should i stay, stay away
        B               C#          F#
breaks my heart when you tell me to go
```

CHORUS:
```
       Ebm            C#
Stand on every corner around you
     Ebm              C#
i will always be right behind you
          B               C#              F# F# G#m G#m B B C# C#
never give up trying to be on your mind where i belong
```
