Ok this is my 2nd tab, I just thought I d give it a shot because it wasn t up here and a good tune.

It s not 100% correct, but it sounds somewhat like what they play so here ya go. It s a pick-then-strum song so just fiddle around with it and I m sure you ll work it out.

Oh uh Capo on 3rd, but it sounds fine without one too. ENJOY

[Verse]

Am C/B C F
Just fifteen miles from shore
Am C/B C F
I lost the love that I had
Am C/B C F
Slipped and fell into the cold
Am C/B C F
Of the deep and the dark below

Am C/B C F
Big wave, small boat
Am C/B C F
We tipped, I froze
Am C/B C F
My hands were ice, my feet were stone
Am C/B C F
I could not throw the rope

[Verse]

E Am
I caught her eye as she dipped down with a wave
Am C/B C F
I jumped in but I was too late
Am C/B C F
Fighting with the currents of the Georgia Strait
Am C/B C F
Fighting with the wind and the tide and the waves
Am C/B C F
I lost my love that day

[Verse]

E **Am**
I touched her fingers as she breathed out my name
Am C/B C F
She smiled at me, I watched her fade away
Am C/B C F
To the deep and the dark of the under wave
Am C/B C F
To the Currents of the Georgia Strait

[Verse]

Am C/B C F
And here it s been ten years to the day
Am C/B C F
And here I ll sit for a hundred years and I ll wait
Am C/B C F
Till I see her smiling face
Am C/B C F
Come shining up through the waves
Am C/B C F
On the shore, in the rain I ll wait
Am C/B C F
Till I see my love again

[Verse]

E **Am**
I pray to God, I curse my luck, I question my faith
Am C/B C F
I curse my empty-hearted fate
Am C/B C F
And I curse the wind and the tide and the waves
Am C/B C F
And I curse the currents of the Georgia Strait
Am C/B C F
Where I lost my love that day
Am C/B C F
Where I lost my heart
Am C/B C F
To the curse of the currents of the Georgia Strait
Am C/B C F
It s the curse of the currents of the Georgia Strait
