

**Islands Disappear
Said the Whale**

Here s a cool song that had not been chorded. Not 100% if correct, but sounds fine to me.

Dm **A#**
Here on the raincoast
F **A**
The wind blows, waves cold
Dm
High tide
A# (let ring) **F**
Rise and disappear
 A
Islands disappear

(Hum)

Dm **A#** **A** **Dm**

Dm **A#** **A** **F**

Dm **A#**
Here on the tree line
F **A** **Dm**
High-rise Mountainside
A# (Let ring)
A love For evergreen
F **A**

Dm **A# A Dm**
Apple of my eye
Dm **A# A F**
Here upon the sea

Dm **A#**
Here on the creekside
F **A** **Dm**
High-rise mountains hide
A# (let ring) **F**
And starlight disappears
A
Islands disappear
