

**My Government Heart
Said the Whale**

[ianskatu]

Figured these chords out by myself.

About 99% accurate.

All chords are in minor.

Most of the chords are just running bassline but it makes it sound nicer if you re playing bar chords on guitar.

Enjoy.

D# F# G# A G# D#
I am a secret government agent armed with lies
F# G# A G# D#
About secret government things. Oh yeahh...
F# G# A G# D#
I have secret government documents that could knock you dead
F# G# A G# D#
From your regular citizen lives. Oh yeahh...
B A# D#
And I ll break into your regular citizen homes with my government knives

F# G# F# D#

F# G# A G# D#
I do regular citizen things, but that s where it ends
F# G# A G# D#
Cause my secret government mind is a rare breed
F# G# A G# D#
I can t love, I can t feel or have passion but I don t mind
F# G# A G#
Cause my secret government facts tell me
B
Despite what many normal citizens say
A# D#
Love causes pain and pain hurts and now passion is dead

F# G# F#

D#
Before I became a secret agent spy
C# D# A# C#
I was put on this earth with a regular life
D#

Smiling and laughing and singing away

C# D# A# C#

But I could not keep my curious mind at bay

D#

I set out to answer a question of mine

C# D# A# C#

About human heart versus rational mind

D#

See, I thought if I planted my heart in the ground

C# D# A# C#

I could grow a heart tree and spread my love around

D#

I enlisted the help of a very close friend

C# D# A# C#

And we ripped out my heart so the test could begin

B A\$

And we watered my heart

B A#

And we let the sun feed it vitamins

B A#

And we waited for that sprout

A# D# F# G# F# D#

And I dug up my heart and I found it was nothing but dirt

F# G# F#

(My heart had become the earth)

D# F# G# A G# D#

Now I m a secret government agent armed with a past

F# G# A G# D#

About regular citizen life. Oh yeahh...

F# G#

I can t love, I can t feel or have passion

A G# D# F# G# A G#

But I don t mind, cause you can t break my government heart

D# F# G# A G# D#

You cannot break my secret agent heart ever again
