

Hobart Paving  
Saint Etienne

**E** **B**  
I heard she drove the silvery sports-car  
**C#m** **B**  
Along the empty streets last night.  
**AmaJ7** **E**  
Hanging around with hair-dos like mine.  
**A** **Bsus4** **B**  
No, I haven't seen the kids for some time.

**E** **B**  
Picked up her shoes from the red-brick stairway,  
**C#m** **B**  
Just like a harpsichordist she moved.  
**AmaJ7** **E**  
And back upstairs at half past two,  
**A** **Bsus4** **B**  
With a paper folded outside the loo.

**F#m** **A**  
Rain falls like elvis tears.  
**E** **Bsus4** **B**  
Oh no, no sugar tonight.  
**F#m** **B**  
Out on the high street, dim all the lights and  
**F#m** **Bsus4** **B** **Bsus4** **B** **Bsus4** **B**  
Cry coloured tears again.

**E** **B**  
And baby, (don't forget to catch me.)  
**C#m** **B**  
Don't forget to catch me. (don't forget to catch me.)  
**AmaJ7** **E**  
Hobart paving, don't you think that's it's time,  
**A** **Bsus4** **B**  
On this platform with the drizzle in my eyes?

**E** **B**  
And baby, (don't forget to catch me.)  
**C#m** **B**  
Don't forget to catch me. (don't forget to catch me.)
