Intro: G D Gmaj7

C Bm
The neighborhood that I live in,

C Bm Em
I've always seen as home.

C Bm
At certain times at the evening,
C Bm Em
It's like a no-go zone.

C Bm Am D
Got cash in my pocket to last the weekend.

C Bm Am D
And I've got features I quite like And don't mind keeping.

Am D Em
But I still walk the side streets home,

Am D Em
Even when I'm on my own.

C Bm Am D
If I let myself believe all the bad press and horror stories,

G
I wouldn't set a foot outside.

C Bm
You say I live in a bubble,

C Bm Em
I find the bubble's best.

C Bm
At a faint whiff of trouble,

C Bm Em
Just turn and head due west.

C Bm Am D
Quite light on my feet if I ever need be,

C Bm Am D
As I zip down the street, No one ever sees me.

Am D Em
That's why I walk the side streets home,

Am D Em

Even when I m on my own.

C Bm Am D

If I let myself believe all the bad press and all the stories,

Even when I m on my own.
