[G] I could build a [GMaj9(no3rd)] palace from lost [G6] ideals  
[C] Forgotten to [G]say what it is that I [Am] wanted  
[C]Now I go to [G] sleep and dream of [Am] nothing

[G] So the weatherman [GMaj9(no3rd)] says theres gonna be a change in the [G6]  
]weather  
[G] and this is a [GMaj9(no3rd)] fine in my time of [G6] life  
[C] If someone could [G] tell me something l hadn t heard [Am] before  
[C] I wouldn t be [G] knocking at your [Am] door.

Chorus

[G]Like a grain of [GMaj9(no3rd)] sand  
[C]that s how I [D] feel tonight  
[G]In a foreign [GMaj9(no3rd)] land  
[C]washed up and [D]out of sight

I woke up this morning and felt like a zombie  
Couldn t find the shoes underneath my bed  
My tongue was covered in fur So I shoved it in my pocket  
At least I m alive I think I ll survive

Like a grain of sand  
That s how I feel tonight  
In a foreign land  
Washed up and out of sight (RPT)
