You re my friend and you are my brother
Even though you are a king
I love you more than any other
So much more than anything

You alone are my strength, my shield
To you alone may my spirit yield
You alone are my heart s desire
And I long to worship you

I want you more than gold or silver,
only you can satisfy.

You alone are the real joygiver
and the apple of my eye.

You alone are my strength, my shield
To you alone may my spirit yield
You alone are my heart s desire
And I long to worship you
