Lord I Come Before You
By Salvador

Dm

Lord I come before you

Love to sing your praise

Worship and adore you

As you fill me with your grace

Dm

Lord I come before you

Surrounded by your love

When it comes down to your mercy

You know I just cant get enough

Em **A**
Oh, You knocked on my door
F#m **Bm**
More than once before
Em **A** **D**
I can finally hear you call my name
Em **A**
Send your mercy down
F#m **Bm**
Let the trumpet sound
Em **A** **D**
Now my heart cries out to you in praise
