Lord I Come Before You
By Salvador

Dm

Lord I come before you
Love to sing your praise
Worship and adore you
As you fill me with your grace

Dm

Lord I come before you
Surrounded by your love
When it comes down to your mercy
You know I just cant get enough

Oh, You knocked on my door **Em** **A**
F#m **Bm**
More than once before
I can finally hear you call my name **Em** **A** **D**
Em **A**
Send your mercy down
F#m **Bm**
Let the trumpet sound
Em **A** **D**
Now my heart cries out to you in praise
