Verse I:

Aren t you somethin to admire, cause your shine is somethin like a mirror  
And I can t help but notice, you reflect in this heart of mine  
If you ever feel alone and the glare makes me hard to find  
Just know that I m always Parallel on the other side

Pre-Chorus:

Cause with your hand in my hand and a pocket full of soul  
I can tell you there s no place we couldn t go  
Just put your hand on the glass, I ll be tryin to pull you through  
You just gotta be strong

Chorus:

Cause I don t wanna lose you now  
I m lookin right at the other half of me  
The vacancy that set in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I ll tell you baby, it was easy  
Comin back into you once I figured it out  
You were right here all along
