```
          G#m          Ebm          C#m          E
Aren t you somethin to admire, cause your shine is somethin like a mirror
          G#m          Ebm          C#m          Eb
And I can t help but notice, you reflect in this heart of mine
          G#m          Ebm          C#m          E
If you ever feel alone and the glare makes me hard to find
          G#m          Ebm          C#m          Eb
Just know that I m always Parallel on the other side
```

Pre-Chorus:

```
          G#m          Ebm
Cause with your hand in my hand and a pocket full of soul
          C#m          E
I can tell you there s no place we couldn t go
          G#m          Ebm
Just put your hand on the glass, I ll be tryin to pull you through
          C#m
You just gotta be strong
```

Chorus:

```
          B
Cause I don t wanna lose you now
          F#          E
I m lookin right at the other half of me
          B
The vacancy that set in my heart
          F#          E
Is a space that now you hold
          B
Show me how to fight for now
          F#          C#m
And I ll tell you baby, it was easy
          G#m          B
Comin back into you once I figured it out
          F#          E
You were right here all along
```

 It s like you re my mirror
 F# E
 (oh oh) My mirror staring back at me
 B
 I couldn t get any bigger
 F# E
 (oh oh) With anyone else beside of me
