And come in with the C chord for the verse

**C**        **G**  
Her people come from Nineveh  
**D**        **Em**  
His people come from Rural Shade  
**C**        **G**  
They met in the tent  
      **D**  
On the traveling Nazarene  
**C**        **G**  
She took his big hand in hers  
      **D**        **Em**  
Led him from the tent to the piney woods  
      **D**    **Em**  
Both sixteen

**C**        **G**  
A few months later they got married  
**D**        **Em**  
A few more months RoseofSharon got born  
**C**        **G**        **D**  
While he was out cutting pulp  
**C**        **G**  
A logging chain whipped  
**D**        **Em**  
He never walked again  
      **D**        **Em**

It was an accidental thing

**C G**

So he drank when they had money

**D Em**

She worked as a serving girl

**C G D**

In the rich folk's houses in town

**C G**

Rose of Sharon grew up

**D Em**

Cutting pictures out of magazines

**D Em**

Of houses big and clean

Interlude: **C G D Em C G D**

**C G**

Rose of Sharon ran away; D Em

With a boy selling bibles

**C G**

Crossed the line in Shreveport

**D**

Turned 16

**C G**

Calls her mother from the payphone

**D Em**

A laundromat in Natchez

**D**

It's not exactly what I dreamed

**C G**

Palestine, Palestine

**D Em**

Oh Palestine

**D**

We've got Satan on the run

**Em**

Shouts the Nazarene
