This cityâ€™s so pretty

Got a cup of coffee

A sunday globe

A table by the window Watch the plows in the road

He says hey mister Iâ€™ve come up short

You got any change

Change on the street

Change to a man

Thought heâ€™d never get beat
There are a thousand ways
A man in the snow gets lost

So far from home
Snow is deep
The road is long
Snow is deep
The road is long
So far from home
