First tab I ve done!! Not 100% accurate but as close as I could get it from listening to the song!  
I used a capo on 5 to make it the same pitch as on his album. The tabbing for the intro is strummed not picked, easiest way to follow and figure out strumminh will be to play along with the song! Hope you like it!!  
Improvements welcome :)

[Intro]

```
e|2-3-5-0----3-3-3----2-3-2-2-0-2---3-3-3-----|
B|3-3-3-3--1-1---1---3-3-3-3-3-3-1-1---1-----|
G|2-2-2-2-----2-2-2-2-2-2-----|
x2
D|-----2-2-----2-2-----|
A|-----3-3-2-2-----3-3-2-2-----|
E|-----3-3-----3-3-----|
```

[Verse]

```
D      C          G          D          C      G
James don t forget yourself when you re across the water
      D          C          G
Those sirens sing songs of love do they know what you re made of
      D          C      G
cause it might not be across the water now
```

```
Em          G          D
Be sure to pack a good alarm
      Em          G          D
to pick you up in the morning to turn your head to things that may go wrong and
      C          G      D
though the arms of a lover can be so comforting
      C      G          D
We all need a little warning, sometimes. James
```

[Verse]

```
D          C
Now love I have seen you wear pulled over your eyes
      G          D          C      G
thorough a small tear I have seen my best friend crying
```

**D** **C** **G**  
Five thousand miles you wish to roam and there you ll build a new  
**D** **C** **G**  
home under the hot sun but it is what your burning for now

[Chorus]

**Em** **G** **D**  
Nobody wants to live alone,  
**Em** **G** **D**  
We all know it s better to share than to own  
**C** **G** **D**  
And though the arms of a lover can be so comforting,  
**C** **G** **D**  
we all need a little warning

[Chorus]

**Em** **G** **D**  
Nobody wants to live alone,  
**Em** **G** **D**  
We all know it s better to share than to own  
**C** **G** **D**  
And though the arms of a lover can be so comforting,  
**C** **G** **D**  
we all need a little warning
