**G Em**  
Many s the day I ve longed for you,  
**C G**

**G Em**  
Many s the night I ve cried for you,  
**C G**  
for your many charms  
**G Em**  
If you d only come to me,  
**G Em**  
my heart wouldn t be full of sorrow  
**G Em**  
But now all I can do is hope & pray  
**C G**  
that you ll come to me tomorrow

(chorus)

**G** **Em**  
To me you are so beautiful,  
**C** **G**  
beautiful as a song  
**G** **Em**  
& whenever I look at you,  
**C** **G**  
my heart beat like a tom-tom  
**G** **Em**  
If you d only come to me,  
**G** **Em**  
this torch I wouldn t have to carry  
**G** **Em**  
& if everything goes right,  
**C** **G**  
to the church we will go to marry

(chorus)
