

Make You Miss Me
Sam Hunt

Em **C**
Every new song its your favorite
D **G**
Pretty soon you ll be changing the station
Em **C**
And all your old shoes are looking brand new
D
They wanna be worn but they never get the chance to

Em **C**
Heavy into everything ready for the next thing
D **G**
Gets your eye for a while then youre over it
Em **C**
You change your mind on it scream when the shines gone
D **G**
Like you always do You don t know it yet but

C **D**
Oooh oooh oooh
G
I aint gonna be that easy to leave

C **D**
Oooh oooh oooh

Girl im gonna make you miss me

Em **C**
Make you wish you were sleeping in my shirt
D **G**
Lie about my jacket and tell everyone its yours
Em **C**
When your phone rings after midnight and you thinking maybe its me
D
Gonna make you miss me

Em **C**
Holding out, burnt out like a match
D **G**
Keep a slipknot in the strings you attach
Em **C**
Think its easy, that s a lie
D **G**
The only reason that youre good at goodbye is
Em **C**
Every boy you ve ever met was too easy to forget
D **G**

But I aint going out like that

C D

Oooh oooh oooh

G

I aint gonna be that easy to leave

C D

Ooooh oooh oooh

Girl im gonna make you miss me

Em C

Make you wish you were sleeping in my shirt

D G

Lie about my jacket and tell everyone its yours

Em C

When your phone rings after midnight and you thinking maybe its me

D G

Gonna make you miss me

Solo (**Em C D G** 2x)

C D

Oooh oooh oooh

G

I aint gonna be that easy to leave

C D

Ooooh oooh oooh

Girl im gonna make you miss me

Em C

Writing letters that youre never gonna mail

D G

Stay up and paint my favorite shade of red on your nails

Em C

Cause you cant fall sleep and youre wishing you were with me

D G

Im gonna make you miss me

G Em C

Make you miss me, Make you miss the way my hand fit in your hand

D G

When you re dialing my number listening to my favorite bands

Em C D

Ill say baby you know you can stay so come and get me

D Em C

Gonna make you miss me

D Em C D

Gonna make you miss me
