

**Dont Let Me Go**  
**Sam Mccarthy**

Don't let me go " Sam McCarthy ft. Harry Styles Guitar Chords

**G** **C** **Em** **Am**

Now you are standing there right in front of me

**G** **C** **Em** **Am**

I hold on it's getting harder to breath

**G** **C** **Em** **Am**

All of the sudden these lights are blinding me

**G** **C** **Em** **Am**

I never noticed how bright they would be

**G** **C** **Em** **Am**

I saw in the corner there is a photograph

**G** **C** **Em** **Am**

No doubt in my mind it's a picture of you

**G** **C** **Em** **Am**

It lies there alone in its bed of broken glass

**G** **C** **Em** **Am**

This bed was never made for two

**Am** **Dm** **Am**

I'll keep my eyes wide open

**Am** **F** **Am**

I'll keep my arms wide open

**Dm** **F**

Don't let me

Don't let me

I caught one and it burned a hole in my hand, Oh..

**G** **C** **Em** **Am**  
Seems like these days I watch you from a far

**G** **C** **Em** **Am**  
Just trying to make you understand

Iâ€™ll keep my eyes wide open
