Tuning: Standard

Capo: None

Verse/Chorus:

Am G C

Called us up in the middle of the night

Am G C

In the desert there s a miracle of life

F G

Two by two

F C

We come for you

Am G C

Hoping time was at your side

Nearing dawn as the hours passed us by

Tried to laugh just to hide the fear inside

It s okay

Was all she could say

Wishing she could hide the pain

Waited all night to hear those words

No matter how much they will hurt

Just be strong

And carry on

A bigger heart will come along

Give us hope there s a longer road ahead

I don t care what the other people said

You are loved

By all of us

You are loved by all of us

Waited all night to hear those words

No matter how much they will hurt

You are strong

You carried on

Am G

A bigger heart

Am G

A bigger heart

Am G C

A bigger heart will come along
