Enjoy!

Capo on the 2nd

A

Today was the day
That I put everything in perspective
I fell asleep, when I woke up
Everything changed
And the sky was turned on

D

But that was before

A

But that was before

E

You came along and you turned me on

D

With a little bit of love
And little bit of yeah yeah

A

Today is the day
That I threw out everything that I wanted
I was scared, but that s alright
Who needs a ride that s taking too long?

D

That was before

A

That was before

E

You came along and you played me a song

D

With a little bit of love
And little bit of yeah yeah

A

Lalalalalalalalala

E

You came along and you played me a song

D

With a little bit of love

And little bit of yeah yeah

A

Yeah yeah

Yeah yeah

Yeah yeah

Yeah yeah

Yeah yeah
