(Verse I)

A **E** **D--**

There is nothing more complicated than love.

A **E** **D--**

Denial is a game we shoudn t play

A **E** **D--**

It s hard for me when im trying to forget...

Is what we had something that i should regret?...

A **E** **D---**

Feelings that won t just go away.....

Chorus:

A E D---

Cause ive fallen in love 4x

With you

(Ganun din Yan katulad nung verse I)

Denial is a game we shouldnt play

Accept the truth and hope the pain goes away

I know this pain is so hard to bear

But i can make it through...i know i can....

Love makes me deny what i feel deep down inside...
