

Dont Do Anything

Sam Phillips

This is my best guess. All the D s are at the top of the neck; just switch the bass note.

Intro:

D - D5 - D - D5

D D5

I

D D5

I love you

D/B D/C#

when you don t

D/B D/C#

when you don t do anything

When you re useless

I love you more

When you don t do anything

G

when you don t know

Em

when you don t try

Em A7

when you don t say anything

when you don t move

when you don t win

when you don t make anything work

I

I love you

when you don t

when you don t do anything

when you don t want

when you don t lie

when you don t make any sense

when you don t go

when you don t hide

when you don t think anything

Em

everything i know

D/C

Em A7

is running backwards now with you

I
I love you
when you don t
when you don t do anything

When you re useless
I love you more
When you don t do anything
