

Little White Feet
Sam Phillips

Key of D. Tab assumes Capo II.

Verse 1

C

All the clocks stopped

Time went rushing on as she took the last steps she would take

Little white feet flying to the gate where we wait to send them on

Verse 2

The sky has cried for us all night all day

Until the light opened like her arms

Little White Feet flying to the gate where we wait to send them on

Bridge

Fm **G**

The earth will take the dust

Cm

But our hearts are wild and full of you

Fm **G**

Until we know what we don't know we can't let go

Verse 3

Flowers on the street with our tears

They fill up the corner where she left us all

Little white feet flying to the gate where we wait to send them on
