[Verse 1]

A

Shotgun alleys with lightning flowers

D **F#**

Under the eyes of fallen statues

B **D**

Dry blood they ve never seen

A

Pain is sharper when I suspect

D **F#**

That true love runs looking for us

B **D**

Like a lion in our dreams

[Chorus]

A **E**

The strawberry road

B **E**

Where the dream fades

A **E** **B** **D**

Is down between our longing and desire

A **E**

The strawberry road

B **E** **F# E F# B**

Where our hearts break into love

[Verse 2]

A

You censor longing and organize beauty

D

Because you re afraid

F# **B** **D**

You want it more than oxygen or light

A

You can't get there with your morals

D

Or without love

F#

Lie down with me

B

D

The rules aren't always right

[Chorus]

[Verse 3]

A

Call it romance or nostalgia

D

F#

The hunger behind our memories

B

D

We've buried it in code

A

The things we've wanted

D

When we get them are never enough

F#

Never what they seem

B

D

But they lead us to the road

[Chorus]
