

Gun

Sam Quinn

This is the first time I've ever tried transcribing a song to tab or chords myself. I love the Everybodyfields and now what Sam Quinn is doing and thought these sounded close enough to post. Hopefully we can get some other songs posted as well. If you have any corrections, feel free to post a new version or email me the corrections at noahduffy@lavabit.com. Thanks!

Gun by Sam Quinn + Japan Ten

(<http://www.facebook.com/pages/Sam-Quinn-Japan-Ten/143146417960>)

Standard Tunning

G

Take me down

C

Shine me up

G

C

I'm your favorite coffee cup

G

Wait around

C

Through the sound-check

G

C

Baby, do you think that you could tell me when you turn the pain up?

G

D

C

I'm your gun and I'm loaded, baby

G

D

C

I could kill you tonight

G

D

C

I never thought that I would hurt you like I hurt you

Am

C

I can't get you out of my sight

G

You're on the line

C

Your ears are mine

G

C

I can talk about a lot of things

G

The clocks all lie

C
In beds with loaded dice
G **C**
In a world where the little boys don t buy wedding rings

G **D** **C**
I m your gun if you load it, baby
G **D** **C**
I could kill you tonight
G **D** **C**
I Never thought that I would hurt you like I hurt you
Am **C**
I can t get you out of my sight
Am **C**
I can t get you out of my sight
Am **C**
I kill myself a little every night
Am **C**
I kill myself a little every night
