

Lighthouse
Sam Riggs

[INTRO]

G D Em C

[VERSE 1]

G

You might say that I m an old has been

D

You might say I m just a never was

Em

I m a little bit of both now and then

C

Never really stood to fight for much

G

But something happened when your eyes met mine

D

I became a different man

Em

Heard a whisper screaming deep inside

C

You better ask that girl to dance

Em

So when the lights went down

D

The band cranked up

C

We stepped out on that floor

Em

D

Started out with one slow dance

C

I got something worth fighting for

[CHORUS]

G

Never been the kind to turn around

D

Shots fired I won t hit the ground

Em

D

C

When your back s against the wall you know exactly where I ll be

G

I ll be standing tall against the waves

D

Just like a lighthouse in a hurricane

Em

D

C

I d have everything to lose and nothing left to gain

G

If I had you

[VERSE 2]

G

I drink my liquor from the bottom shelf

D

Smoke it if it burns

Em

Know I m gunna have the devil to pay

C

When it comes my turn

G

But I wouldn t ever do you wrong

D

I got everything to prove

Em

Never wanted someone so strong

C

Until I saw you

Em

So when the lights come on

D

The band tears down

C

I ll be the one to take you home

Em

And when the night winds blow

D

C

You re never gunna be alone.

[CHORUS]

G

Never been the kind to turn around

D

Shots fired I won t hit the ground

Em

D

C

When your back s against the wall you know exactly where I ll be

G

I ll be standing tall against the waves

D

Just like a lighthouse in a hurricane

Em

D

C

I d have everything to lose and nothing left to gain

Em

D

C (x2)

If I had you

[CHORUS]

G

Never been the kind to turn around

D

Shots fired I won t hit the ground

Em

D

C

When your back s against the wall you know exactly where I ll be

G

I ll be standing tall against the waves

D

Just like a lighthouse in a hurricane

Em

D

C

I d have everything to lose and nothing left to gain

Em

D

C

I d have everything to lose and nothing left to gain

G
