

Long Shot

Sam Riggs

Sam Riggs and the Night People " Long Shot

[Intro]

Bm D A G Bm D A G

[Verse]

Bm D
The waves sound like cannons tonight
A G
Aimin straight for your heart
Bm D
I strike a fuse in the fading light
A G
Just as the summer goes dark

[Instrumental]

Bm A G

[Verse]

Bm D
And everybody s got a fall back plan
A G
A place to be when the lights go down
Bm D
Girl you ve always been my main event
G A
A show stopper in this rip tide town

[Chorus]

D
I know if feels like a long shot baby
A
Two broken hearts in a leap of faith
Bm
A faint heart never won fair lady
G A
And loosin you is more than I can take
D
And I won t sit on the shoreline
A
As love slips through our hands
Bm A G
And hearts break on the coast of California
A
They wash away like footprints in the sand

[Instrumental]

Bm A

[Verse]

Bm D

The bright colours of the boardwalk lights

A G

Shine on your face

Bm D

All of the noise from the carnival rides

A G

Can't drown out the pain

Bm D

But call me out on my hard luck baby

A G

I need redemption tonight

Bm D

Scatter your troubles like stars on the water

A G

Let 'em go with the tides

[Chorus]

D

I know it feels like a long shot baby

A

Two broken hearts in a leap of faith

Bm

A faint heart never won fair lady

G A

And loosing you is more than I can take

D

And I won't sit on the shoreline

A

As love slips through our hands

Bm A G

And hearts break on the coast of California

A

They wash away like footprints in the sand

[Instrumental]
