

Brother Down
Sam Roberts

[Verse 1]

Dm

One life to live but we re doing it wrong

C

G

You see, got my brother down cause it s nothing to me

Dm

Everyone saying that it s wrong to cheat

C

G

But there s no other way to get my life on easy street

Dm

Someone else telling you what you re living for

C

G

Been knocking you down, now you re looking for more

Dm

The only sound you hear is a closing door

C

G

Been looking for peace but they re bringing you war

Dm

Rich man cryin cause his money s time

C

G

And poor man s smilin cause he knows he ain t blind

Dm

There s a man over there says he s tougher than me

C

G

But I got eyes that can see through fantasy

[Chorus]

Dm

C

G

I think my life is passing me by

Dm

C

G

I think my life is passing me by

[Verse 2]

Dm

Take it all back cause it don t mean nothing

C

G

If you give it away and you re looking for something back

Dm

Wake up every morning when there s nothing there

C

G

No reason to die but no reason to care

Dm

Someone else telling you what you re living for

C

G

Been knocking you down now you re looking for more

Dm

The only sound you hear is a closing door

C **G**
Been looking for peace but they re bringing you war

Dm
One life to live but we re doing it wrong

C **G**
You see, got my brother down cause it s nothing to me

Dm
Rich man cryin cause his money s time

C **G**
And poor man s smilin cause he knows he ain t blind

[Chorus]

Dm **C** **G**
I think my life is passing me by

Dm **C** **G**
I think my life is passing me by
