

Detroit 67
Sam Roberts

This song is a great song by Sam Roberts, And i couldnt find a guitar tab for it anywhere, so i decided to put the chords for this song. Enjoy. p.s this is also my first tab so dont be too rough haha

Tuning:EADGBE

Intro: **D G D G D G A G** (x4)

D

I went walking, at street level, Feeling strange, and disheveled

G

Past the abattoir and the glory holes Like a film noire,
in the starring role

D

To the side streets, kept my nose clean
Tasted beautiful, tasted obscene Singing,

D G D G D G A G D
oh oh oh oh oh oh oh oh oh
G D G D G A G
Oh oh oh oh oh oh oh

D

This is Detroit, see the skyline
A commotion on the assembly line

G

Raise a glass to the Ambassador
As she s moving you to the dance floor

A

Does anyone here tonight remember those times?
Can anyone here tonight just tell me what they felt like?

In The Space do a C Chord with an added note on the third fret
of the high E string.

Bm

F#m

So many years, so many lives

Bm

A

D G D G D G A G

These are the streets where they collide

Bm

F#m

From Jimmy Hoffa to Cadillac

Bm

A

G

Some look ahead, I m going back

G

Cause I m just looking for some sounds

To ease the vice that squeezes us every day

Fill With C Chord With added note earlier

D

This was Motown, this was New France

Where the Chippewa did the firedance

G

That was long ago

This is here and now

But the memory still remains somehow Singing

D G D G D G A G D

oh oh oh oh oh oh oh oh oh

G D G D G A G

Oh oh oh oh oh oh oh

D

I can t tell you how this old story ends

I can t touch you now, like they did back then

G

Past the child s play with the jump rope

Hear the gun play, it s a tightrope

A

Does anyone here tonight remember those times?

Can anyone here tonight just tell me what they felt like?

A

Does anyone here tonight remember those times?

Somebody call the riot police, there s trouble down on 12th Street

Ending: Either **D G D G D G A G** (x8)

or Special C Chord you saw earlier for the rest of the song.
