[Intro]

F7 D9 C G6 x2

F7 **D9**

I must be blind if I can t see

C **G6**

Which part of me is you and which part of you is me

F7 **D9**

We two are bound Whipped by the wind

C **G6**

We bend near to the ground but oh! How we bend back again

F7

I can t tell which life is mine

D9

You and I are so intertwined

C

I should have seen right from the start

G6

That little girl s gonna break your heart

[Chorus]

F7

They say love is the great divide

C **Asus** **Am**

I hope we make it to the other side

F7

They say love is the great divide

C **Asus** **Am**

I hope we make it to the other side

F7 D9 C G6

F7

D9

In this fading light it's hard to see

C **G6**

What will become of you What has become of me

F7 **D9**

Who did we burn Who did we save

C **G6**

What did we learn between the cradle and the grave

F7

We've done this dance before

D9

A house divided, a civil war

C

She plays the part and you roll the dice

G6

But that little girl still saved your life

[Chorus]

F7

They say love is the great divide

C **Asus** **Am**

I hope we make it to the other side

F7

They say love is the great divide

C **Asus** **Am**

I hope we make it to the other side

F7 D9 C G6

[Bridge]

F

I'll never be lonely

Am

As long as you own me

C

Firelight, hold back the night

G

Never gonna be easy to watch it die

F

I'll never be lonely

Am

As long as you own me

C

I fan the flames and you push the knife

G

That little girl still saved your life

[Chorus]

F7

They say love is the great divide

C **Asus** **Am**

I hope we make it to the other side

F7

They say love is the great divide
C Asus Am
I hope we make it to the other side
F7
They say love is the great divide
