Capo 2

D
I m a pilgrim like you
F#m
I was only passing through
D
You ll never know my name
F#m G
You ll never walk in my shoes
D
I ve been no use to my friends
A
I ve been no use to myself
D G F#m D
Now I m looking for proof that I ain t someone else
D G
I was too afraid to read the newspaper
D G
Working in the basement of a skyscraper
D G
That s why I roll and you ll never know my name
D
Oh no

D **F#m**
I m not here to feel the bones of some forgotten saint
D **F#m** **G**
I know who I am, and I know who you ain t
D **A**
Spent fifteen days in solitary confinement
G **D**
Digging a hole in the wall
D **A**
There s no escape, they said you need realignment
D **G** **F#m** **D**
Now you re praying for help but they don t hear you call

D **G**
I was too afraid to read the newspaper
D **G**
Working in the basement of a skyscraper
D **G**
That's why I roll and you'll never know my name
D
Oh no

Chorus

D **G** **D**
Destination, I don't care
D **G** **D**
I know I'll get there when I'm there
G
There's only one thing on my mind
D
I've got more troubles than a diamond's got shine

D **F#m**
My shoes have kicked up dust from here to somewhere else
D **F#m** **G**
Is this wanderlust or running from myself?
D **A**
My neck was in the noose, but now I've been cut loose
D **A**
And put out to graze in delicate pastures
D **G** **F#m** **D**
Now I'm waiting for someone to put me to use

D **G**
I hope it's clear as crystal
D
That the man with the pistol
G **D**
Is calling all the shots these days
G **D**
Now I'll be on my way, oh
G
The self-fulfilling prophets
D
They been lining their pockets
G **D**
And telling me that it's alright
G
But I just don't buy it
D
Oh no

Destination, I don't care

I know I ll get there when I m there

There s only one thing on my mind

I ve got more troubles than a diamond s got shine

Destination, I don't care

I know I ll get there when I m there

There s only one thing on my mind

I ve got more troubles than a diamond s got shine
