

E
I m a pilgrim like you
G#m
I was only passing through
E
You ll never know my name
G#m A
You ll never walk in my shoes
E
I ve been no use to my friends
B
I ve been no use to myself
E A G#m E
Now I m looking for proof that I ain t someone else
E A
I was too afraid to read the newspaper
E A
Working in the basement of a skyscraper
E A
That s why I roll and you ll never know my name
E
Oh no
E G#m
I m not here to feel the bones of some forgotten saint
E G#m A
I know who I am, and I know who you ain t
E B
Spent fifteen days in solitary confinement
A E
Digging a hole in the wall
E B
There s no escape, they said you need realignment
E A G#m E
Now you re praying for help but they don t hear you call

E **A**
I was too afraid to read the newspaper
E **A**
Working in the basement of a skyscraper
E **A**
That's why I roll and you'll never know my name
E
Oh no

Chorus

E **A** **E**
Destination, I don't care
E **A** **E**
I know I'll get there when I'm there
A
There's only one thing on my mind
E
I've got more troubles than a diamond's got shine

E **G#m**
My shoes have kicked up dust from here to somewhere else
E **G#m** **A**
Is this wanderlust or running from myself?
E **B**
My neck was in the noose, but now I've been cut loose
E **B**
And put out to graze in delicate pastures
E **A** **G#m** **E**
Now I'm waiting for someone to put me to use

E **A**
I hope it's clear as crystal
E
That the man with the pistol
A **E**
Is calling all the shots these days
A **E**
Now I'll be on my way, oh
A
The self-fulfilling prophets
E
They been lining their pockets
A **E**
And telling me that it's alright
A
But I just don't buy it
E
Oh no

E	A	E
Destination,	I don't	care

E I know I ll get there when I m there **A** **E**

There s only one thing on my mind

E

I ve got more troubles than a diamond s got shine

E **A** **E**
Destination, I don't care

I know I ll get there when I m there
