but you ain t comin in, no, no,  
          **G6**                    **Am**

          **G6**                    **C**  
Cause it ain t like,  
          **G6**                    **Am**  
it ain t like it was before.  
          **G6**                    **C**                    **G6**                    **Am**  
You went a-sailin on for that distant shore.

oh we had skies so blue,  
          **G6**                    **Am**  
we had skies so blue.  
**G6** **C**                    **G6**                    **Am**  
So I, I had my hopes up high,  
          **G6**                    **C**                    **G6**                    **Am**  
till all I heard was goodbye when I called for you.

**F**                    **C**                    **G6**

          **Am**  
I can t win,

**G6** **C**  
Then you do it all again and again,  
**G6** **Am**  
tell me when will it end.  
**G6** **C**  
And now you come back,  
**G6** **Am**  
oh yeah, you crawled on back,  
**G6** **C** **G6** **Am**  
with your head held high and your book of lies in a burlap sack.  
**G6 C** **G6** **Am** **G6**  
I just don t know, honey, what went wrong.
