

It wasn't enough, but you could've had the guts

LA#m

to face me

DO#

It would have meant so much,

DO#m

SOL#

if you'd looked me in the eye

SOL#

Why do I always fall for the ones

LAdim

LA#m

who have no courage?

DO#

DO#m

SOL#

I must see some kind of beauty in their eyes.

SOL#

So I'm gonna play my favourite rhythm

LA#m

Got to get you out my system

DO#

DO#m

SOL#

I would do anything to keep you off my mind

SOL#

I'm gonna have to call my sisters

LAdim

LA#m

Be around the ones who listen

DO#

DO#m

SOL#

Anything to drown you out tonight.

SOL#

LA#m

Baby (you make me crazy)

DO#

DO#m

SOL#

Why'd you have to fill my heart with sorrow?

SOL#

LA#m

(Save me) Save me, (make it all hazy) make it all hazy

DO#

DO#m

SOL#

So I don't think about you 'til tomorrow.

SOL#

LA#m

(Baby) Baby (you make me crazy) you make me crazy

DO#

DO#m

SOL#

(Why'd you have to fill my heart with sorrow?)

Why'd you have to fill my heart?

SOL#

LAdim

LA#m

Save me, make it all hazy

DO#

DO#m

SOL#

So I don't think about you 'til tomorrow.
