Burning
Sam Smith

[Intro] **D#m   C#   B**

D#m   C#   B
I ve been burning
D#m   C#   B
Yes, I ve been burning
D#m   C#   B
Such a burden
D#m   C#   B
This flame on my chest
D#m   C#   B
No insurance to pay for the damage
D#m   C#   B
Yeah, I ve been burning up since you left

D#m   C#   B
I ve been smoking, oh
D#m   C#   B
More than twenty a day
D#m   C#   B
Blame it on rebellions
D#m   C#   B
Don t blame it on me
D#m   C#   B
Wish I was younger
D#m   C#   B
Back to the nineteenth of may
D#m   C#   B
I had an open mind
D#m   C#   B
Swore to never change
D#m   C#   B
Funny how time goes by
D#m   C#   B
Had respect for myself
D#m   C#   B
That river ran dry
D#m   C#   B
You reached a limit
D#m   C#   B
I wasn t enough
D#m   C#   B
It s like the fire replaced all the love
D#m   C#   B
I ve been burning
D#m   C#   B
Yes, I ve been burning

D#m   C#   B
Such a burden
D#m   C#   B
This flame on my chest
D#m   C#   B
No insurance to pay for the damage
D#m   C#   B
Yeah, I ve been burning up since you left
D#m   C#   B
Oh, have you ever called
D#m   C#   B
I will burst straight back
D#m   C#   B
Give you my forgiveness
D#m   C#   B
And the shirt off my back
D#m   C#   B
No friends to turn to
D#m   C#   B
Yeah, I messed up that
D#m   C#   B
Wish we could smoke again
D#m   C#   B
Just for a day, oh

D#m   C#   B
Funny how time goes by
D#m   C#   B
Had respect for myself
D#m   C#   B
That river ran dry
D#m   C#   B
You reached a limit
D#m   C#   B
I wasn t enough
D#m   C#   B
And it s like the fire replaced all the love
D#m   C#   B
I ve been burning
D#m   C#   B
Yes, I ve been burning
D#m   C#   B
Such a burden
D#m   C#   B
This flame on my chest
D#m   C#   B
No insurance to pay for the damage
D#m   C#   B
Yeah, I ve been burning up since you left
D#m   C#   B
Yeah, I ve been burning up since you left
D#m   C#   B
Oh, I ve been burning up since you left

(D#m   C#   B)
