Intro x3: C# Fm G#7

```
                        C#
I don?t want to be alone tonight
                                    Fm          G#
It?s pretty clear that I?m not over you
                                    C#
I?m still thinking ?bout the things you do
                          Fm
So I don?t want to be alone tonight, alone
          G#7
tonight, alone tonight
```

Can you light the fire?
I need somebody who can take control
I know exactly what I need to do
 Cause I don?t want to be alone tonight, alone tonight, alone tonight

```
C#
Look what you made me do

I?m with somebody new
Fm                      G#7
Ooh, baby, baby, I?m dancing with a stranger
C#
Look what you made me do

I?m with somebody new
Fm                      G#7                      C#
Ooh, baby, baby, I?m dancing with a stranger
