

Ive Told You Now
Sam Smith

Am **G**
You know what I mean
D **Em** **Bm C** **G**
It s like walking in the heat all day with no water
Am **G**
It s like waiting for a friend
D **Em** **Bm C** **G**
Watching everybody else meet theirs on that corner
Am **G**
Or losing in an argument
D **Em** **Bm C** **G**
Although you re right can t get your thoughts in order

Am
Still I refrain
From talking at you, talking on
Bm
You know me well
B **C**
I don t explain

Em **Am**
But what the hell
C **G**
Why do you think I come round here on my free will?
G **D**
Wasting all my precious time
C **B**
Oh, the truth spills out
Am C
Do all I ve
B **Em Am**
I ve told you now

Am **G**
You know what I mean
D **Em** **Bm C** **G**
Although I try my best I still let down the team
Am **G**
You re everything I want,

Why should I resist when you are there for me?

From talking at you, talking on
