

In The Lonely Hour

Sam Smith

A **E**
I need someone that I ll look to,
F#m **D**
In the lonely hour, that we all go through
A **E**
To give me comfort and love me through
F#m **D**
In the lonely hour, I need you,
A **E** **F#m** **D**
I need you. I need you.

A **E**
I don t need diamonds, I don t need jewels
F#m **D**
No amount of riches will cover up these blues,
A **E**
I don t need suggestions of how to start a new
F#m **D**
In the lonely hour. I need you,

F#m **E** **A** **A** **D**
There s nothing I can do
F#m **E** **A** **A** **D**
I m hopeless without you.

A **E**
It s a lonesome point of view
F#m **D**
And there s a wistful silence in an empty room
A **E**
These other voices they don t cut through
F#m **D**
In the lonely hour I need you,
A **E** **F#m** **D**
I need you. And I need you

A **E**
I need someone that I ll look to
F#m **D**
In the lonely hour I need you,
A
I need you.
