I've Told You Now Sam Smith

Am G

You know what I mean

D Em Bm C G

It s like walking in the heat all day with no water

Am G

It s like waiting for a friend

D Em Bm C G

Watching everybody else meet theirs on that corner

Am G

Or losing in an argument

D Em Bm C G

Although you re right can t get your thoughts in order

Am

Still I refrain

From talking at you, talking on

Bm

You know me well

B C

I don t explain

Em Am

But what the hell

C

Why do you think I come round here on my free will?

G D

Wasting all my precious time

Oh, the truth spills out

Am C

Do all I ve

B Em Am

I ve told you now

Am (

You know what I mean

D Em Bm C G

Although I try my best I still let down the team

Am G

You re everything I want,

D Em Bm C G

Why should I resist when you are there for me?

Am

Still I refrain

From talking at you, talking on

 \mathbf{Bm}

```
You know me well
             C
I don t explain
\mathbf{E}\mathbf{m}
But what the hell
Why do you think I come round here on my free will?
Wasting all my precious time
Oh, the truth spills out
Am C
Do all I ve
               Em Am
I ve told you now
            Bm C G
I ve told you now
                   Em Am
And I ve told you now!
Am Bm C G
And I ve told you now!
   Am
Still I refrain
From talking at you, talking on
You know me well
I don t explain
But what the hell
Why do you think I come round here on my free will?
Wasting all my precious time
Oh, the truth spills out
Am C
Do all I ve
                Em Am
I ve told you now
```
