

La La La
Sam Smith

Verse 1:

Em **D**
Hush, don t speak
Am7
When you spit your venom, keep it shut I hate it
Em **D**
When you hiss and preach
Am7
About your new messiah cause your theories catch fire

Pre Chorus:

Em **D**
I can t find those silver linings
Am7
I don t mean to judge
Em **D**
But when you read your speech, it s tiring
Am7
Enough is enough

Chorus:

Em **D**
I m covering my ears like a kid
Am7
When your words mean nothing, I go la la la
Em **D**
I m turning up the volume when you speak
Am7
Cause if my heart can t stop it, I find a way to block it
I go
Em (Two Strums)
La la, la la la...
D (Two Strums)
La la, la la la...
Am7 (Two Strums)
La la, la la la...
Am7 (Two Strums)
I find a way to block it
I go
Em (Two Strums)
La la, la la la...
D (Two Strums)
La la, la la la...
Am7 (Two Strums)
La la, la la la...

Verse 2:

Em **D**

Yes our love is running out of time

Am7

I won't count the hours, rather be a coward

Em D

When our worlds collide

Am7

I'm gonna drown you out before I lose my mind

Pre-Chorus:

Em D

I can't find those silver linings

Am7

I don't mean to judge

Em D

But when you read your speech, it's tiring

Am7

Enough is enough

Chorus:

Em D

I'm covering my ears like a kid

Am7

When your words mean nothing, I go la la la

Em D

I'm turning up the volume when you speak

Am7

Cause if my heart can't stop it, I find a way to block it

I go

Em (Two Strums)

La la, la la la...

D (Two Strums)

La la, la la la...

Am7 (Two Strums)

La la, la la la...

Am7 (Two Strums)

I find a way to block it

I go

Em (Two Strums)

La la, la la la...

D (Two Strums)

La la, la la la...

Am7 (Two Strums)

La la, la la la...
