

Lay Me Down
Sam Smith

F#7M

Yes I do, I believe

That one day I will be, where I was

B7M

Right there, right next to you

And it s hard, the days just seem so dark

The moon, the stars, are nothing without you

F#7M

Your touch, your skin, where do I begin?

B7M

No words can explain, the way I m missing you

The night, this emptiness, this hole that I m inside

These tears, they tell their own story
