

Leave Your Lover
Sam Smith

E **B** **A**
I don t have much to give, but I don t care for gold
A **A/G#** **F#m** **E**
What use is money, when you need someone to hold
E **B** **A**
Don t have direction I m just rolling down this road
A **A/G#** **F#m** **E**
Waiting for you to bring me in from out the cold

F#m **G#m**
You ll never know the endless nights, the rhyming of the rain,
F#m **B**
Or how it feels to fall behind and watch you call his name

E **A/F#**
Pack up and leave everything, don t you see what I can bring
A **A/G#** **F#m** **E**
Can t keep this beating heart at bay
E **A/F#**
Set my midnight terror free, I will give you all of me
C#m **F#7** **A** **E**
Leave your lover, leave him for me
C#m **F#7** **A** **E**
Leave your lover, leave him for me

E **B** **A**
We sit in bars and raise our drinks to growing old
A **A/G#** **F#m** **E**
I m in love with you and you will never know
E **B** **A**
But if I can t have you I ll walk this life alone
A **A/G#** **F#m** **E**
Spare you the rising storms and let the river flow

F#m **G#m**
You ll never know the endless nights, the rhyming of the rain,
F#m **B**
Or how it feels to fall behind and watch you call his name

E **A/F#**
Pack up and leave everything, don t you see what I can bring
A **A/G#** **F#m** **E**
Can t keep this beating heart at bay
E **A/F#**
Set my midnight terror free, I will give you all of me
C#m **F#7** **A** **E**
Leave your lover, leave him for me
