

Leave Your Lover
Sam Smith

D A G
I don t have much to give, but I don t care for gold
G G/G# Em D
What use is money, when you need someone to hold
D A G
Don t have direction I m just rolling down this road
G G/G# Em D
Waiting for you to bring me in from out the cold

Em F#m
You ll never know the endless nights, the rhyming of the rain,
Em A
Or how it feels to fall behind and watch you call his name

D G/F#
Pack up and leave everything, don t you see what I can bring
G G/G# Em D
Can t keep this beating heart at bay
D G/F#
Set my midnight terror free, I will give you all of me
Em E7 G D
Leave your lover, leave him for me
Em E7 G D
Leave your lover, leave him for me

D A G
We sit in bars and raise our drinks to growing old
G G/G# Em D
I m in love with you and you will never know
D A G
But if I can t have you I ll walk this life alone
G G/G# Em D
Spare you the rising storms and let the river flow

Em F#m
You ll never know the endless nights, the rhyming of the rain,
Em A
Or how it feels to fall behind and watch you call his name

D G/F#
Pack up and leave everything, don t you see what I can bring
G G/G# Em D
Can t keep this beating heart at bay
D G/F#
Set my midnight terror free, I will give you all of me
Em E7 G D
Leave your lover, leave him for me
