

Midnight Train

Sam Smith

[Intro] E B A Am

E B  
I choose me, and I know that s selfish, love  
A  
You are a dream, and I can t thank you enough

But I give another piece of me away

Am

Every waking day that I m with you

E B  
Am I a monster? What will your family think of me?

A

They brought me in, they helped me out with everything

But I give a little piece of me away

Am

Every single day

E B  
So I pick up the pieces, I get on the midnight train

A

I got my reasons, but darling I can t explain

I ll always love you

Am

But tonight s the night I choose to walk away

E B  
Bah-bah, doo, bah-bah, doo

A Am

Bah-bah, doo, bah-bah, doo

E B  
Love you so much that I have to let you go

A

I ll miss your touch and the secrets we both know

But it would be wrong for me to stay

Am

And I ll just give you hope

E B  
So I pick up the pieces, I get on the midnight train

A

I got my reasons, but darling I can t explain

I ll always love you

**Am**

But tonight s the night I choose to walk away

**E** I can t stop crying, I hate that I ve caused you pain **B**

**A**  
But I can t deny it, I just don t feel the same

I ll always love you

**Am**

But tonight s the night I choose to walk away

**E** Bah-bah, doo, bah-bah, doo **B**

**A Am**  
Bah-bah, doo, bah-bah, doo

**E** So I pick up the pieces, I get on the midnight train **B**

**A**  
I got my reasons, but darling I can t explain

I ll always love you

**Am**

**E**  
But tonight s the night I choose to walk away
