

**No Peace**  
**Sam Smith**

**Em**

I see you in the morning

**D**

Feel your fingers in my hair

**C**

**G D**

Sometimes I still pretend you re there

**Em**

It hits me without warning

**D**

Your reflection walking by

**C**

**G D**

But I know it s only in my mind

**Em**

**D**

Will you show me the piece of my heart I ve been missing?

**C**

**G D**

Won t you give me the part of myself that I can t get back?

**Em**

**D**

Will you show me the piece of my heart I ve been missing?

**C**

Cause I d kill for you

**G D**

And darling you know that

**Em**

So I ll light up a cigarette

**D**

I ll drink it down til there s nothing left

**C**

Cause I sure can t get no sleep

**G D**

And lord knows there s no relief

**Em**

You held my heart in your fingertips

**D**

So now I drown in my bitterness

**C**

Oh, I can t get no sleep

**G D Em**

And I sure won t, I sure won t find no peace

**D**

No peace

( **C G D** )

**Em**

All that I am asking

**D**

Is for a little clarity

**C**

**G D**

That s all that really matters to me

**Em**

In and out of focus

**D**

**C**

Tears are in my eyes

**G D**

We re burning down the bridges this time

**Em**

**D**

Will you show me the piece of my heart I ve been missing?

**C**

**G D**

Won t you give me the part of myself that I can t get back?

I used to find comfort in your arms

**E**

Caught up in the wonder of your charms

**Am**

I ll cry for you, I ll cry for you

**G**

I d lie for you, I d lie for you

**B**

But I don t even know you anymore

**Em**

So I ll light up a cigarette

I ll drink it down til there s nothing left
