C#m **G#m**
I m feeling something, something different

F#m **A** **B**
When you left, my picture changed

C#m **G#m**
I was blinded, I d not envisioned

F#m **A** **B**
The same face in a different frame

C#m **A** **G#m** **E**
It s an omen, caught my baby crying

G# **G#7**
Saw the silver lining

C#m **A** **G#m**
It must be an omen

E **G#** **G#7**
Needed you to show me, without you I am lonely

My mind would rule my heart
