

**One Last Song**  
**Sam Smith**

**C C**  
Maybe one day  
**C C**  
I won't sing about you  
**E7 Am**  
I'll sing a song about someone new  
**C C**  
But right here, right now  
**C**  
You are on my mind  
**E7 Am**  
And I think about you all the time  
**Dm Dm**  
I'm sending a message to you  
**G7**  
And I'm hoping that it will get through

**Gm Gm**  
When it was good it was bittersweet, honey  
**Gm E Am**  
You made me sad til I loved the shade of blue  
**Gm E**  
I know you don't want to talk to me  
**Am F**  
So this is what I will do  
**C**  
Maybe you're listening  
**Gm C**  
So here's one last song for you

**C C**  
And I hope it makes you feel  
**C**  
And I hope it makes you burn  
**E7 Am**  
And I hope it reminds you of how much it hurt  
**Dm**  
I'm sending a message to you  
**G7**  
And I'm hoping that it will get through

**Gm Gm**  
When it was good it was bittersweet, honey  
**Gm E Am**  
You made me sad til I loved the shade of blue  
**Gm E**  
I know you don't want to talk to me

**Am** **F**  
So this is what I will do

**C**  
Maybe you re listening

**Gm** **C**  
So here s one last song for you

**F**  
In case you hear this

**Am** **Dm**  
Then know you re the love of my life

**F**  
Want to tell you I m sorry

**Am** **Dm**  
I miss having you by my side

**G7**  
When you were mine

**F**  
In case you hear this

**Am** **Dm**  
Then know you re the love of my life

**F**  
Want to tell you I m sorry

**Am** **Dm**  
I miss having you by my side

**G7**  
When you were mine

**F**  
In case you hear this

**Am** **Dm**  
Then know you re the love of my life

**F**  
Want to tell you I m sorry

**Am** **Dm**  
I miss having you by my side

**G7**  
When you were mine

**Gm** **Gm**  
When it was good it was bittersweet, honey

**Gm** **E** **Am**  
You made me sad til I loved the shade of blue

**Gm** **E**  
I know you don t want to talk to me

**Am** **F**  
So this is what I will do

**C**  
Maybe you re listening

**Gm** **C**  
So here s one last song for you
