Safe With Me
Sam Smith

Intro: **C   C   Em   B** (x2)

VERSE:

```
C              C            Em            B
If you ever need me just tell me and I ll be there
      C            C            Em                    B
Cause I was built for you, yes I was built to carry all your feelings
        C                                    B    Em   D
Cause I won t let them know, I won t let you go baby
       C                                          B              Em   B
I don t care what your past is, I don t need no answers just have faith in me
```

```
C                   G             Em      D
Don t you know your secret s safe with me
C                   G             Em      D
All your worries can be put to, can be put to sleep
C                   G             Em      D
Don t you know your secret s safe with me
C                   G             Em      D
All your worries can be put to, can be put to sleep
```

VERSE

```
C                                        Em           B
No need to step back, don t be scared, I got you, you know that
C                                 Em                    B
I m here when you are sad when all of your clouds turn black
      C                                      B    Em   D
Cause I won t let them know, I won t let you go baby
       C                                          B            Em   B
I don t care what your past is, I don t need no answers just have faith in me
```

```
C                        G                  Em        D
Don t you know your secret s safe with me
C                        G            Em              D
All your worries can be put to, can be put to sleep
C                        G                  Em        D
Don t you know your secret s safe with me
C                        G            Em              D
All your worries can be put to, can be put to sleep
