To Die For
Sam Smith

[Intro]

```
G7M        Bm         D
     It is if everyone dies alone

   Does that scare you?
G7M
   I don t wanna be alone
```

[Primeira Parte]

```
G7M                Bm
    I look for you
        D           G
Every day, every night
G7M            Bm
    I?close my eyes
          D             G
From the fear, from?the light
```

[Pré-Refrão]

```
G7M                        D
As I wander down the avenue, so confused
F#m
    Guess I ll try and force a smile
```

[Refrão]

```
                        G7M
Pink lemonade sippin  on a Sunday
                        D
Couples holding hands on a runway
                      F#m
They re all posing in a picture frame
                        Bm
Whilst my world s crashing down
                  G
Solo shadow on a sidewalk
                      D
Just want somebody to die for
                    F#m
Sunshine livin  on a perfect day
                        Bm
While my world s crashing down
                      G7m
I just want somebody to die for
```

[Segunda Parte]

```
G7M                  Bm
   I long for you
        D
Just a touch (Does that scare you?)
        G
Of your hand
     G7M                  Bm
You don t leave my mind
        D
Lonely days, I m feeling
        G
Like a fool for dreaming
```

[Pré-Refrão]

```
G7M                      D
As I wander down the avenue, so confused
F#m
   Guess I ll try and force a smile
```
